

A zone to display your Big Ideas

EUREKA ZONE

Showcase your innovation at Eureka zone during the conference. It could be a new device, modification of an existing device or a new surgical step. Any registered delegate is eligible to present his/her innovation.

It should be in the form of a physical poster with relevant picture and abstract mentioning how the innovation helps to solve the problems in the existing methods along with name affiliation and contact details. Please mention if any link is available regarding this and whether video display is required.

If interested in demonstrating in person please mention the time. Demonstration during GB meeting is not permitted.
